Note:

¹ Retail Revenue is the revenue generated from the sale of used vehicles to retail customers online made through Carma's website. Carma also earns revenue from the sale of used vehicles to wholesale customers, and other revenue including origination of customer loans, extended coverage and the referral of insurance products. The figures in the table are unaudited.

² Reconditioning Days is the number of days reconditioning operations were active.

Background

Carma's IPO Prospectus dated 16 October 2025 included a table (Figure 41, page 69 – included below) which showed the quarterly retail inventory units delivered for the period Q1 FY 2023 to Q1 FY 2026.

In order to assist investors in understanding the key drivers, monthly variability and seasonality of revenue in its early stage as a listed company, Carma has decided that for a minimum of the prospectus forecast period to June 2026, it will release to the ASX its monthly *Retail Units delivered* and *Retail Revenue*.
