Amendments and additions to the Agreement:

In relation to this particular Transaction, the Facility is amended by inserting the following clause 12A into the Agreement:

12A. Premium Forward

12A.1 Nature of Premium Forward

- (a) A Premium Forward is an irrevocable offer made by the Provider to the Holder on the Trade Date to purchase the Minimum Quantity of Underlying Securities at the Premium Forward Strike Price per Underlying Security on the Maturity Date.
- (b) The Minimum Quantity of Underlying Securities, Maximum Quantity of Underlying Securities and Premium Forward Strike Price will be specified in the Confirmation for each Premium Forward Transaction.
- (c) The irrevocable offer referred to in paragraph (a) may be accepted by the Holder by service of a valid Exercise Notice in accordance with clause 12.2 of the Agreement. At that time, but not prior to that time, a contract arises between the Provider and the Holder under which the Holder must sell to the Provider and the Provider must buy from the Holder the Minimum Quantity of Underlying Securities at the Premium Forward Strike Price per Underlying Security as described in paragraph (a).
- (d) Physical Settlement of the transfer of Underlying Securities from the Holder to the Provider shall occur on the second Business Day after the Maturity Date. On that day, the Holder shall deliver Underlying Securities to the Provider in accordance with the Provider's instructions and following receipt of the Underlying Securities from the Holder, the Provider shall pay to the Holder the Premium Forward Strike Price per Underlying Security received.
- (e) For the purposes of the Agreement, a Premium Forward is an Option and a transaction under which you enter into a Premium Forward is an Option Transaction.

12A.2 Premium Amounts

- (a) In respect of a Premium Forward, in consideration of the Holder's agreement to pay the Second Premium Amount (if any) to the Provider, the Provider agrees to pay the First Premium Amount to the Holder on the First Premium Amount Payment Date and the Provider makes the offer described in clause 12A.1 and undertakes not to revoke that offer prior to the Maturity Time other than as contemplated by clause 4.2 of the Agreement. If the First Premium Amount is zero then the consideration for entering into the Premium Forward are the mutual promises made by the Holder and the Provider under these terms.

- (b) In respect of a Premium Forward, a Second Premium Amount is payable by the Holder to the Provider on the second Business Day following the Maturity Date if the Market Price at Maturity is greater than the Premium Forward Strike Price. The Second Premium Amount for that Premium Forward is calculated as follows:

$$\text{Second Premium Amount} = \text{Maximum Quantity of Underlying Securities} \times (\text{Market Price at Maturity} - \text{Premium Forward Strike Price})$$

12A.3 Collateral

- (a) This clause 12A.3 applies if you enter into a Premium Forward as Holder.
- (b) Your obligations under a Premium Forward are Secured Obligations under the Agreement, and the number of Underlying Securities that form part of the Secured Property for the Premium Forward is the Maximum Quantity of Underlying Securities for that Premium Forward.

12A.4 Deemed Exercise and Cash Settlement

Despite anything to the contrary in the Agreement:

- a) if the Holder does not provide a valid Exercise Notice in accordance with clause 12.2, UBS may, in its absolute discretion, deem the Holder to have provided a valid Exercise Notice at the Maturity Time and a contract between the Provider and the Holder will arise at that time under which the Holder must sell to the Provider and the Provider must buy from the Holder the relevant quantity of Underlying Securities at the Premium Forward Strike Price as described in clause 12A.1(a); and
- b) Cash Settlement is not applicable to the Premium Forward.

12A.5 Amendment of Agreement

The Agreement is amended by the insertion of this clause 12A.

Additional terms:

The Applicant agrees that the following additional terms apply in respect of the Transaction set out in this Confirmation:

Early Termination Date and Consequences of early termination	Clause 4.3(d) of the Agreement is replaced with the following: " (d) If an Early Termination Date is specified in respect of a takeover of the issuer, the Early Termination Amount in respect of the Transaction will be calculated in accordance with the provisions in this Agreement, and without limitation, UBS may also calculate this Early Termination Amount as: (i) Unadjusted Value + Adjustment Value Where:
--	---

	“Unadjusted Value” is determined by UBS as the value of the Transaction (or portion thereof) on the Early Termination Date based on: • a volatility equal to the average of the implied volatilities of the Underlying Security on each of the 15 Trading Days ending on and including the Early Termination Date; • expected dividends for the period from the Early Termination Date until the original scheduled Maturity Date based on, and payable on the same dates as, (1) amounts to have been paid in respect of gross ordinary cash dividends on the Underlying Securities in the one-year period ending on the Early Termination Date or (2) in the event of a published change to dividend policies published by the issuer of the Underlying Securities (as determined by the UBS) prior to the Early Termination Date, the expected dividends determined in accordance with such published change; • a value ascribed to the Underlying Securities as determined by UBS and, if applicable, equal to the value of the consideration, if any, paid or delivered in respect of such Underlying Securities to holders of such Underlying Securities at the time of the takeover; and • a term of the Transaction from the Early Termination Date to the original scheduled Maturity Date. “Adjustment Value” means as the difference between the amounts determined pursuant to (A) and (B) below: A. a value of the Transaction (or portion thereof) determined by UBS based on: • a volatility equal to the average of the implied volatilities of the Underlying Security on each of the 15 Trading Days ending on and excluding the takeover announcement date (“Announcement Date”); • expected dividends for the period from the Announcement Date until the original scheduled Maturity Date based on, and payable on the same dates as, (3) amounts to have been paid in respect of gross ordinary cash dividends on the Underlying Securities in the one-year period ending on the Announcement Date or (4) in the event of a published change to dividend policies published by the issuer of the Underlying Securities (as determined by the UBS) prior to the Announcement Date, the expected dividends determined in accordance with such published change; • a value ascribed to the Underlying Securities equal to the Cash Settlement Amount (assuming Cash Settlement were applicable) of the Underlying Securities based on Closing Price on the Announcement Date; and • a term of the Transaction from the Announcement Date to the original scheduled Maturity Date. B. a value for the Transaction (or portion thereof) based on the factors listed in paragraph (A) above, except with a volatility equal to the average of the implied volatilities of the Underlying Security on each of the 15 Trading Days commencing on and including the Announcement Date. (ii) For the avoidance of doubt, the Early Termination Amount determined by UBS may, but need not, be based on the factors and adjustments set out in paragraph (d)(i) above.”
Early Termination and Cash Settlement of Stock Loan:	Not Applicable. Clause 58 of the Agreement is not applicable.

Adjustment Event:	For the avoidance of doubt, under Adjustment Event (k) UBS may declare a Disruption of Stock Borrow Event as an Adjustment Event in respect of the Underlying Securities. A Disruption of Stock Borrow Event occurs where UBS determines it is not able to access the required quantity of Equivalent Securities, or is not able to access Equivalent Securities at a reasonable cost or price (determined by UBS), to meet its redelivery obligation under the Stock Borrow Agreement or its ongoing hedging requirements.
Adjustment Event Action:	For the avoidance of doubt, if UBS declares a Disruption of Stock Borrow Event, UBS may adjust the terms of one or more Transactions under Adjustment Event Action (f), including without limitation, requiring a payment from you, deferring the Option Settlement Date and/or the deadline for redelivery of Equivalent Securities under clause 59(c).
Redelivery of Equivalent Securities:	Clause 59(b) of the Agreement is amended by: a) replacing the words "immediately before the Maturity Date for the Loan" with "by no later than the second scheduled Trading Day after the Maturity Date for the Loan" in subparagraph (i); b) replacing the words "immediately before the Maturity Date for the Option" with "on or immediately before the Option Settlement Date for the Option in subparagraph (ii); and c) replacing the words "immediately before the Early Termination Date" with "on or immediately before the date on which the Early Termination Amount is payable" in subparagraph (iii).

Distribution Agreement:

For the purposes of the Distribution Agreement set out in Part H of the Agreement:

- a) clause 65(a)(i) of the Agreement applies to Premium Forwards;
- b) The definition of "Differential Value" in the Facility is amended to read as follows:

"Differential Value means an amount in cash equal to:

Maximum Quantity of Underlying Securities x Difference x Delta "

- c) the calculation basis for Actual Distribution Amounts is Gross Basis;
- d) each day during the Term is an Assumed Ex-Date;
- e) the Assumed Distribution Amounts are zero and the calculation basis for Assumed Distribution Amounts is Cash Basis; and
- f) without limiting clause 65(b) of the Agreement, the parties agree that if a special dividend with an ex-date occurs on or prior to the Maturity Date of a Premium Forward then UBS may, in its absolute discretion, determine that the Adjustment Event Action to be taken is to treat the special dividend as a cash dividend to which clause 65(b) of the Agreement will apply.

Principal Trading Disclosure:

UBS may be required to buy or sell Underlying Securities or any other Secured Property for the Applicant during the term of the Transaction. By signing the Quote Sheet, the Applicant has consented to buying or selling all or part of the Underlying Securities or other Secured Property from or to UBS or its Affiliates as principal.

Settlement:

Please note that any payment or delivery obligations of UBS in respect of this Transaction ("Obligations") may be effected by UBS Securities Australia Limited (the "Settlement Agent"). UBS has authorised the Settlement Agent to act on its behalf in the same manner and with the same force and effect as UBS might or could do in connection with any such payment or delivery obligation. Furthermore, the Settlement Agent is authorized by UBS to process any payment or delivery between UBS and the Applicant or Investor in this Transaction, which may involve the use of the Settlement Agent's bank accounts or debit and payment systems to facilitate such settlement.

In relation to this particular Transaction, the Facility is amended by inserting the following clause 12A into the Agreement:

12A. Premium Forward

12A.1 Nature of Premium Forward

- (a) A Premium Forward is an irrevocable offer made by the Provider to the Holder on the Trade Date to purchase the Minimum Quantity of Underlying Securities at the Premium Forward Strike Price per Underlying Security on the Maturity Date.
- (b) The Minimum Quantity of Underlying Securities, Maximum Quantity of Underlying Securities and Premium Forward Strike Price will be specified in the Confirmation for each Premium Forward Transaction.
- (c) The irrevocable offer referred to in paragraph (a) may be accepted by the Holder by service of a valid Exercise Notice in accordance with clause 12.2 of the Agreement. At that time, but not prior to that time, a contract arises between the Provider and the Holder under which the Holder must sell to the Provider and the Provider must buy from the Holder the Minimum Quantity of Underlying Securities at the Premium Forward Strike Price per Underlying Security as described in paragraph (a).
- (d) Physical Settlement of the transfer of Underlying Securities from the Holder to the Provider shall occur on the second Business Day after the Maturity Date. On that day, the Holder shall deliver Underlying Securities to the Provider in accordance with the Provider's instructions and following receipt of the Underlying Securities from the Holder, the Provider shall pay to the Holder the Premium Forward Strike Price per Underlying Security received.
- (e) For the purposes of the Agreement, a Premium Forward is an Option and a transaction under which you enter into a Premium Forward is an Option Transaction.

12A.2 Premium Amounts

- (a) In respect of a Premium Forward, in consideration of the Holder's agreement to pay the Second Premium Amount (if any) to the Provider, the Provider agrees to pay the First Premium Amount to the Holder on the First Premium Amount Payment Date and the Provider makes the offer described in clause 12A.1 and undertakes not to revoke that offer prior to the Maturity Time other than as contemplated by clause 4.2 of the Agreement. If the First Premium Amount is zero then the consideration for entering into the Premium Forward are the mutual promises made by the Holder and the Provider under these terms.

- (b) In respect of a Premium Forward, a Second Premium Amount is payable by the Holder to the Provider on the second Business Day following the Maturity Date if the Market Price at Maturity is greater than the Premium Forward Strike Price. The Second Premium Amount for that Premium Forward is calculated as follows:

Second Premium Amount = Maximum Quantity of Underlying Securities x (Market Price at Maturity – Premium Forward Strike Price)

12A.3 Collateral

- (a) This clause 12A.3 applies if you enter into a Premium Forward as Holder.
- (b) Your obligations under a Premium Forward are Secured Obligations under the Agreement, and the number of Underlying Securities that form part of the Secured Property for the Premium Forward is the Maximum Quantity of Underlying Securities for that Premium Forward.

12A.4 Deemed Exercise and Cash Settlement

Despite anything to the contrary in the Agreement:

- a) if the Holder does not provide a valid Exercise Notice in accordance with clause 12.2, UBS may, in its absolute discretion, deem the Holder to have provided a valid Exercise Notice at the Maturity Time and a contract between the Provider and the Holder will arise at that time under which the Holder must sell to the Provider and the Provider must buy from the Holder the relevant quantity of Underlying Securities at the Premium Forward Strike Price as described in clause 12A.1(a); and
- b) Cash Settlement is not applicable to the Premium Forward.

12A.5 Amendment of Agreement

The Agreement is amended by the insertion of this clause 12A.

Additional terms:

The Applicant agrees that the following additional terms apply in respect of the Transaction set out in this Confirmation:

Early Termination Date and Consequences of early termination	Clause 4.3(d) of the Agreement is replaced with the following: “ (d) If an Early Termination Date is specified in respect of a takeover of the issuer, the Early Termination Amount in respect of the Transaction will be calculated in accordance with the provisions in this Agreement, and without limitation, UBS may also calculate this Early Termination Amount as: (i) Unadjusted Value + Adjustment Value Where:
--	---

	“Unadjusted Value” is determined by UBS as the value of the Transaction (or portion thereof) on the Early Termination Date based on: • a volatility equal to the average of the implied volatilities of the Underlying Security on each of the 15 Trading Days ending on and including the Early Termination Date; • expected dividends for the period from the Early Termination Date until the original scheduled Maturity Date based on, and payable on the same dates as, (1) amounts to have been paid in respect of gross ordinary cash dividends on the Underlying Securities in the one-year period ending on the Early Termination Date or (2) in the event of a published change to dividend policies published by the issuer of the Underlying Securities (as determined by the UBS) prior to the Early Termination Date, the expected dividends determined in accordance with such published change; • a value ascribed to the Underlying Securities as determined by UBS and, if applicable, equal to the value of the consideration, if any, paid or delivered in respect of such Underlying Securities to holders of such Underlying Securities at the time of the takeover; and • a term of the Transaction from the Early Termination Date to the original scheduled Maturity Date. “Adjustment Value” means as the difference between the amounts determined pursuant to (A) and (B) below: A. a value of the Transaction (or portion thereof) determined by UBS based on: • a volatility equal to the average of the implied volatilities of the Underlying Security on each of the 15 Trading Days ending on and excluding the takeover announcement date (“Announcement Date”); • expected dividends for the period from the Announcement Date until the original scheduled Maturity Date based on, and payable on the same dates as, (3) amounts to have been paid in respect of gross ordinary cash dividends on the Underlying Securities in the one-year period ending on the Announcement Date or (4) in the event of a published change to dividend policies published by the issuer of the Underlying Securities (as determined by the UBS) prior to the Announcement Date, the expected dividends determined in accordance with such published change; • a value ascribed to the Underlying Securities equal to the Cash Settlement Amount (assuming Cash Settlement were applicable) of the Underlying Securities based on Closing Price on the Announcement Date; and • a term of the Transaction from the Announcement Date to the original scheduled Maturity Date. B. a value for the Transaction (or portion thereof) based on the factors listed in paragraph (A) above, except with a volatility equal to the average of the implied volatilities of the Underlying Security on each of the 15 Trading Days commencing on and including the Announcement Date. (ii) For the avoidance of doubt, the Early Termination Amount determined by UBS may, but need not, be based on the factors and adjustments set out in paragraph (d)(i) above.”
Early Termination and Cash Settlement of Stock Loan:	Not Applicable. Clause 58 of the Agreement is not applicable.

Adjustment Event:	For the avoidance of doubt, under Adjustment Event (k) UBS may declare a Disruption of Stock Borrow Event as an Adjustment Event in respect of the Underlying Securities. A Disruption of Stock Borrow Event occurs where UBS determines it is not able to access the required quantity of Equivalent Securities, or is not able to access Equivalent Securities at a reasonable cost or price (determined by UBS), to meet its redelivery obligation under the Stock Borrow Agreement or its ongoing hedging requirements.
Adjustment Event Action:	For the avoidance of doubt, if UBS declares a Disruption of Stock Borrow Event, UBS may adjust the terms of one or more Transactions under Adjustment Event Action (f), including without limitation, requiring a payment from you, deferring the Option Settlement Date and/or the deadline for redelivery of Equivalent Securities under clause 59(c).
Redelivery of Equivalent Securities:	Clause 59(b) of the Agreement is amended by: a) replacing the words "immediately before the Maturity Date for the Loan" with "by no later than the second scheduled Trading Day after the Maturity Date for the Loan" in subparagraph (i); b) replacing the words "immediately before the Maturity Date for the Option" with "on or immediately before the Option Settlement Date for the Option in subparagraph (ii); and c) replacing the words "immediately before the Early Termination Date" with "on or immediately before the date on which the Early Termination Amount is payable" in subparagraph (iii).

Distribution Agreement:

For the purposes of the Distribution Agreement set out in Part H of the Agreement:

- a) clause 65(a)(i) of the Agreement applies to Premium Forwards;
- b) The definition of "Differential Value" in the Facility is amended to read as follows:

"Differential Value means an amount in cash equal to:

Maximum Quantity of Underlying Securities x Difference x Delta"

- c) the calculation basis for Actual Distribution Amounts is Gross Basis;
- d) each day during the Term is an Assumed Ex-Date;
- e) the Assumed Distribution Amounts are zero and the calculation basis for Assumed Distribution Amounts is Cash Basis; and
- f) without limiting clause 65(b) of the Agreement, the parties agree that if a special dividend with an ex-date occurs on or prior to the Maturity Date of a Premium Forward then UBS may, in its absolute discretion, determine that the Adjustment Event Action to be taken is to treat the special dividend as a cash dividend to which clause 65(b) of the Agreement will apply.

Principal Trading Disclosure:

UBS may be required to buy or sell Underlying Securities or any other Secured Property for the Applicant during the term of the Transaction. By signing the Quote Sheet, the Applicant has consented to buying or selling all or part of the Underlying Securities or other Secured Property from or to UBS or its Affiliates as principal.
